

Dear Friend and Supporter

Thank you for supporting the New Zealand Centre for Political Research. Our purpose is to educate and inform the public about the benefits of freedom, liberty and limited government through research, publications and open public debate.

Since the NZCPR is funded by readers only, your donation at whatever level you can afford (by lump sum or regular automatic payments) - is greatly appreciated. It is only through the kind generosity of readers who value a free and open society and want to assist in changing the future direction of New Zealand that the NZCPR can operate.

All donors are entitled to a range of subscription benefits: as well as the weekly newsletter, donors will receive NZCPR subscriber updates, have access to the NZCPR Library, and will receive special interest notifications from time to time.

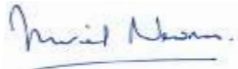

In addition subscribers who donate \$1 or more a week will receive their choice of the NZCPR's exclusive new electronic books - Nature, Not Human Activity, Rules the Climate by Professor Fred Singer or The Treaty of Waitangi by Hon Sir Apirana Ngata and they will also have free access to the NZCPR website Debating Chamber Forum.

Premium Subscribers who donate \$250 or more will also receive both EBooks, along with a DVD of the excellent lecture, An Analysis of Climate Change by Professor Bob Carter, and the regular Premium Information Service - an information service tailored to meet individual interests that is delivered to your inbox on a regular basis.

Benefactors who donate \$1,000 or more will receive all of the benefits mentioned above, along with the "Power of Choice" - an outstanding DVD on the life and ideas of Milton Friedman. They will also receive personal invitations to special events from time to time.

I warmly welcome your support - it is only through your kind generosity that we are able to continue to promote political change.

Kindest regards,
